Request for Summons and Modification of the Conditions or Term of Supervision

Name of Offender: Thomas J. Snyder

Case Number: 2:07CR00004-002

Name of Sentencing Judicial Officer: The Honorable Fred Van Sickle, Senior U.S. District Court Judge

Date of Original Sentence: 10/26/2007

Type of Supervision: Supervised Release

Original Offense: Conspiracy to Manufacture 1,000
or More Marijuana Plants, a Schedule I Controlled
Substance, 21 U.S.C. § 841(a)(1)

Date Supervision Commenced: 10/26/2007

Original Sentence: Prison - 1 day
TSR - 60 months

Date Supervision Expires: 10/25/2012

PETITIONING THE COURT

Due to the government having an objection to the modification, the probation officer requests that a summons be issued and hearing held to modify the conditions of supervision as follows:

- 21 You shall participate in the home confinement program for 120 days. You shall abide by all the requirements of the program, which will include electronic monitoring or other location verification system. You shall pay all or part of the costs of the program based upon your ability to pay.

CAUSE

The probation officer believes that the action requested above is necessary for the following reasons:

Mr. Snyder was sentenced by Your Honor on October 26, 2007, to 1 day custody, followed by 60 months of supervised release. As a special condition of his supervised release, Mr. Snyder was ordered to serve 18 months at a residential reentry center (RRC).

Mr. Snyder began his RRC placement on January 7, 2008. Since that time, he has maintained full-time employment and complied with all program rules and policies. It would appear that Mr. Snyder has obtained all the benefits provided from a RRC placement and it would be reasonable for him to serve the remainder of his 18-month sentence (4 months) on electronic home monitoring.

The undersigned officer conducted a pre-release investigation and approved Mr. Snyder's release plan if he is allowed to participate in electronic monitoring. The government has voiced an objection to the above modification and, therefore, a hearing has been requested.
